A screenshot of a web-based configuration interface for ESP devices. The interface has a dark theme with blue accents. At the top left, it says "ESP easy" and there is a close button "x". Below this is a navigation bar with four tabs: "config", "hard", "dev", and "tools". The "config" tab is active. The main area is divided into four columns of settings, each with a "Save All" button at the bottom.
